GROUP 360

Sir:

The Applicant requests that the following amendment be entered prior to an action on the merits.

IN THE SPECIFICATION

Please replace the paragraph identified as paragraph [76] beginning at page 18 with the following replacement paragraph:

A1
[76] Once the SKU list has been imported, the user allocates sales profiles. The analysis tool 300 imports the necessary input data for each SKU, including sales profiles, and also imports the necessary input data for each SKU, including sales, stock, unit cost, tax rate, and original selling price, from the database system 101. This corresponds to step 305, above. A Sales Data chart 460, shown in Fig. 16, includes an SKU Number column 461, an SKU Description column 463, and a selected Sales Profile column 465.

Please replace the paragraph identified as paragraph [77] beginning at page 18 with the following replacement paragraph:

A2
[77] The analysis tool 300 incorporates a facility to reference a number of weeks sales history (i.e., week x to week y), compare the sales history to the selected sales profile, and
